

# Project Status Report

PROJECT TITLE: The Stefano Shop

COMPANY NAME: Yosemite

PROJECT MANAGER: Shivam Mehra

DATE: 4 Nov 2022

## PROJECT SUMMARY

The Social media integration completed and Recommendation Deliverable has been stalled due to the task being more complicated than anticipated. The Timeline for this sprint has to be extended from 2 weeks to 4 weeks and therefore the deadline and budget has to be extended as well.

## PROJECT HIGHLIGHTS/BLOCKERS

### Highlights:

- Storefront deliverable completed and the vendor manager input inventory data to Platform.
- Social media integration Deliverable completed

### Blockers:

- The engineering team did not complete the recommendation engine on time and therefore the deadline and budget has to be extended to upgrade the AI service of the engine.
